What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal prices? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist

K. C. How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.

Any germs of disease that may have been lurking in the atmosphere around Carson are now probably in the vicinity of Europe.

Language is hardly strong enough to express my admiration of the merits of Chamberlain's Cough Remedy. It is the best remedy for croup and whooping cough I have ever used. A ONE SIDED AFFAIR.—The V. & T. engine Saratoga, which was damaged pretty badly between Lake View and Franktown, is still doing duty, it having gone up ahead of the passenger yesterday. The cause of the accident was the snow washing the oil off the driving gear, thereby causing the piston rod to stick in the slide. With a good head of steam on something had to come, and the piston and connections were bent all out of shape. As only one side of the engine was damaged, it can still be more useful than ornamental.
